Dear E J Fighters,

I am resending the email that was sent on Tuesday 6/20/2017 at 1:52pm. Maritza reported to me that she did not receive the attachment flyer in the email received 1:52 pm on 6/20/2017 from me. Flyer from the Community Strategy Group Flyer is entitled "**OUR CITY UNDER TOXIC ASSAULT**". **CSG began distributing the flyer on Tuesday 6/20 and started canvassing the Superfund Site with the flyer on Wednesday 6/21 . Over the next 5 days there are 3 very important meetings, with potential for serious adverse impact on public health due to the toxic assault on our city.**
If any one else did not receive the attachment let me know.

This Email also serves as a reminder that there is NO Community Strategy Group (CSG) tonight at Pastrick Library.

Tonight June 22nd at 5pm-7pm CSG will attend the EPA meeting at East Chicago Library 2401 Columbus Drive, East Chicago, IN

Today I am attaching the EPA public notice regarding tonight's EPA meeting on the CDF next to Central High and near the new Carrie Gosch.

Please share both Flyers and join us tonight. Thank you.
